STAT MEMORANDUM FOR: [REDACTED]
Chief, Legislative Division, OLL

STAT FROM: [REDACTED]
Director, Intelligence Community Staff

SUBJECT: Comments on Draft Fiscal Year 1985 Intelligence
Authorization Bill

1. We have reviewed the Draft FY 1985 Intelligence Authorization Bill and, in addition to the attached comments sent directly to you by C/SECOM, I suggest the following changes:

-- Page 1, SEC. 101. Delete item (11). The Drug Enforcement Administration (DEA) is not funded within the NFIP. We have not reviewed DEA's budget, nor do we plan to include DEA's request as part of the DCI's FY 1985 NFIP Congressional Budget Justification material.

STAT -- Page 2, SEC. 201. Change [REDACTED] --the current amount for the ICS FY 1985 request. The same correction is required on Page 3 of the Section-by-Section Analysis and Page 2 of the Cost Analysis.

STAT -- Page 3, SEC. 202. [REDACTED]
STAT [REDACTED] This revised personnel figure for the ICS must also be corrected on Page 3 of the Section-by-Section Analysis.

STAT -- Page 3, SEC. 301. Change [REDACTED] --the current amount for the CIARDS FY 1985 request. The same correction is required on Page 2 of the Cost Analysis.

2. I also note that this package does not address items 1, 3, 5, 7, and 8 of the attached Proposed Legislative Program for the Second Session of the 98th Congress submitted to OMB as part of the DCI's FY 1985-1989 Consolidated NFIP Budget. I assume these items were considered and will possibly be included in subsequent legislative proposals for the 98th Congress.

**CENTRAL INTELLIGENCE AGENCY
AND
INTELLIGENCE COMMUNITY
PROPOSED LEGISLATIVE PROGRAM FOR THE SECOND SESSION
OF THE 98th CONGRESS**

Part I -- PRESIDENT'S PROGRAM PROPOSALS

98/2 - 1: Freedom of Information Legislation

Relief for the Central Intelligence Agency from the Freedom of Information Act is necessary to end the wasteful and debilitating diversion of intelligence resources and critically needed skills into FOIA matters, to eliminate the danger of court-ordered release of properly classified information, and to maintain the confidence of human sources and foreign intelligence services in the Agency's ability to protect intelligence information provided to it. Prompt consideration and passage by the 98th Congress of legislation to provide effective relief from the resource, operational, and security problems currently besetting the Central Intelligence Agency under the Freedom of Information Act is urgently required.

PART II -- OTHER PROPOSALS

98/2 - 2: Fiscal Year 1985 Intelligence Authorization Act

The Director of Central Intelligence will submit to the Office of Management and Budget a proposed Fiscal Year 1985 Intelligence Authorization Act for transmittal to the Congress.

98/2 - 3: Intelligence Personnel Protection

The proposal to provide federal criminal penalties for acts of violence against officers or employees of the Intelligence Community was passed by both Houses in the 97th Congress as part of a bill which the President declined to approve. The President has stated his support for enactment of this proposal and the Director of Central Intelligence will continue to pursue it in the second session of the 98th Congress.

STAT

98/2 - 4:

98/2 - 5: Enhanced Personnel Management Authorities for the Defense Intelligence Agency

The Director of Central Intelligence will support legislation to afford Defense Intelligence Agency increased flexibility in the management of its personnel system.

98/2 - 6: Classified Information Procedures Act Amendments

The Director of Central Intelligence may propose amendments to the Classified Information Procedures Act to ensure that classified information is protected from all possibility of disclosure after indictment in any criminal case.

98/2 - 7: Domestic Relocation Allowances

Pending further study of the effects of statutory amendments relating to domestic relocation of federal employees contained in Public Law 98-151, the Director of Central Intelligence may propose legislation to relieve any further inequities still being experienced by Intelligence Community personnel in connection with the allowances payable as a result of permanent changes of station within the United States.

98/2 - 8: Legislation to Ameliorate the Adverse Impact of Federal Retirement System Changes on the Central Intelligence Agency's Ability to Recruit and Maintain the Quality Work Force Essential to the Effective Performance of the National Intelligence Mission

The Director of Central Intelligence may propose, either in connection with the supplemental retirement system for new federal employees to be considered by the Congress in 1984, or as an amendment to the Central Intelligence Agency Retirement and Disability System, legislation to deal with the impact of social security coverage and federal retirement system changes, particularly with respect to the adverse effect that indiscriminate increases in retirement ages would have on intelligence operations.

98/2 - 9: Avoidance of Penalty for Mandatory Retirement Prior to Age 62

The Director of Central Intelligence may propose legislation to amend the Omnibus Reconciliation Act of 1982 to exclude individuals who retire prior to age 62 under the mandatory retirement provisions of the Central Intelligence Agency Retirement and Disability System (CIARDS) from the COLA penalty provisions provided by the Omnibus Reconciliation Act for early retirees.

98/2 - 10: Protection of Intelligence Information

There may be a need for legislation which clearly provides criminal penalties for willful unauthorized disclosures of classified information by federal employees and others having authorized access to classified information.

98/2 - 11: Signals Intelligence Protection Act

The Director of Central Intelligence will support legislation to amend the National Security Act of 1947 to better protect sensitive signals intelligence by providing the United States with certain civil remedies in cases involving the intentional unauthorized disclosure of such information by individuals in circumstances where the individual reasonably should know that this disclosure is likely to impair the signals intelligence capability or activities of the United States.

**98/2 - 12: Compensation of Director and Deputy Director of
Central Intelligence**

The Director of Central Intelligence will submit legislation to amend title 5, United States Code, to place the positions of Director of Central Intelligence and Deputy Director of Central Intelligence at Executive Schedule Levels I and II, respectively.
